**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been using AT&T and Affinity in the past, and I found them rather slow and unstable (communication dropped) and expensive. I finally, contracted with Sonic which, provides reliable services, high speed internet and reasonable pricing comparing to AT&T and others. I believe in open competition that allow users to choose it internet and telephone services provider.
